on glass showing full  
glass coverage

SHAADS® Door Covers

For all measurements please use a measuring tape which measures in inches. Please measure to the 1/16 of an inch. Example above shows 16 red lines between 1" and 2 inches. Counting red lines from left to right every line is a 1/16 - 2/16 - 3/16 - 4/16 and so on - 4/16 equals 1/4, 8/16 equals 1/2 inch
